

ACCEPTABLE USE POLICY (AUP)

Effective Date: September 23, 2026

This Acceptable Use Policy ("AUP") governs the use of the web hosting and cloud infrastructure services (the "Services") provided by **TuckerX LLC**, including and operating under its associated brand names and web properties **94West.net**, **OaklandBackup.com**, **TuckerComm.com** and **Momsit.com** ("Company"). By using the Services, the user ("Customer") agrees to comply with this AUP.

Prohibited Activities

The Customer agrees not to use the Services to engage in any of the following activities:

1. Illegal Activities

Hosting, storing, transmitting, or distributing content that violates any applicable local, state, federal, or international law, including the unauthorized use or distribution of copyrighted material and violations of the Digital Millennium Copyright Act (DMCA).

2. Malicious Content

Hosting, distributing, or facilitating malware, viruses, trojans, ransomware, malicious software, or tools intended to compromise, disrupt, or gain unauthorized access to systems, networks, or data.

3. Abuse and Network Attacks

Engaging in Denial of Service (DoS) attacks, Distributed Denial of Service (DDoS) attacks, network scanning, port probing, vulnerability exploitation, or any activity that disrupts, degrades, or interferes with the performance or security of the Company's infrastructure.

4. Spamming and Email Abuse

Sending unsolicited bulk email (spam), operating spam-advertised websites, maintaining open mail relays, or engaging in any activity that results in blacklisting or reputational harm to Company networks or IP addresses.

5. Resource Abuse

Excessive or systematic consumption of shared infrastructure resources, including CPU, memory (RAM), storage, or network bandwidth, beyond reasonable and intended usage levels, resulting in adverse impacts on other customers or Services.

Enforcement and Termination

TuckerX LLC reserves the right to investigate any suspected violation of this AUP. If a violation is identified, the Company may, at its sole discretion:

- Suspend or terminate access to the Services.
- Remove, disable, or restrict access to offending content.
- Take measures necessary to protect the integrity, security, and availability of its infrastructure.
- Cooperate with law enforcement or regulatory authorities as required by law.

Actions may be taken without prior notice when necessary to protect the Services, the Company, its customers, or third parties.
